Getting Started

Your exploration is about to unfold on a driving journey through Southern Rhode Island. We're so excited to show you around!

Step 1: Start by downloading the free "**MooveGo**" app on your smartphone.

Step 2: Scan the QR code below to get the game map. *The app will be active for 3 days after you scan the code. Check out the color codes to determine which locations you want to hit first. There's no sequence to the challenges. Pick a direction and go!

Step 3: Drive to each pinned location. Watch for traffic and pedestrians! When you are within 25-30 feet of the pin, a challenge question or location details will pop up - trivia and puzzles make learning fun! Earn between 1 and 10 points per location. There are over 50 locations on the map for you to enjoy. See how many points you can gather!
